

At Clastify, we're dedicated to increasing access to learning. We don't believe money should be a barrier to education and we offer free Premium subscriptions to students who may not be able to afford our paid learning content.

If you can't afford to pay for a subscription, you can apply for financial aid by sending an email to support@clastify.com. In the email please include the following information:

1. Your personal details (name, date of birth, school).
2. Financial statements of your caregivers (e.g. parents) proving your financial situation.
3. Description of how Clastify Premium will help you achieve your goals.

If you're approved, you will get a free Clastify Premium account for the duration of your studies.

Please don't hesitate to contact support@clastify.com if you have any questions.
